FEDERAL FUNDING OPPORTUNITIES

Youth Opportunity Grants. The U.S. Department of Labor, Employment and Training Administration announces funding to assist all youth, particularly those out of school, to acquire the necessary academic, technical, and workplace skills and work experience to successfully transition into adulthood, careers, and further education. The eligible applicant is the Local Workforce Investment Board. Available funds are \$8 to \$12 million per year for five years. 5 to 30 grants will be awarded. Deadline for submission is September 30, 1999. For additional information fax questions to Yvonne Harrell at (202) 219-8739 or on the internet at www.doleta.gov.

Technical Assistance Workshop for the above grant will be held on June 15 at the Hilton Washington Embassy Row Hotel at 2015 Massachusetts Avenue NW. For additional information call 703-299-1680.

Community Alliance for Math, Science and Technology Literacy. The U.S. Department of Commerce announces funding to establish pilot programs which partner local school boards, non-profit educational organizations, and the local business community to develop and conduct innovative professional development activities for K-12 math, science and technology teachers. Eligible entities are partnerships comprised of an LEA and the local business and/or research communities.

Deadline is July 1, 1999. Up to 10 awards will be made for \$20,000. For additional information contact Dr. Jack Hsia at (301) 975-3067.

State-Based Core Injury Program Development. The U.S. Department of Health and Human Services, Centers for Disease Control and Prevention announces funding to allow State public health agencies to develop or strengthen their organizational focus in the prevention and control of injuries. \$225,000 is available to fund 3 awards. The deadline date is July 20, 1999. For further information call 1-888-472-6874 or on the internet at www.cdc.gov Program announcement 99136.

Capacity-Building Assistance to CBOs Serving African American Populations Heavily Affected by HIV. The U.S. Department of Health and Human Services, Centers for Disease Control and Prevention announces funding to establish four regionally structured and focused capacity-building entities to help CDC-funded CBOs providing HIV prevention services to African -Americans. One national entity will also be funded. Eligible applicants are limited to non-governmental minority organizations with relevant experience. Available funds are \$1.55 million to the national center and \$225,000 for each of the regional centers. For additional information contact Samuel Taveras at (404) 639-5241 or on the internet at www.cdc.gov. Program announcement 99095.
